

## USC School of Pharmacy Affiliation *Teaching Certificate Program*

VAGLAHS is affiliated with the **University of Southern California (USC) School of Pharmacy**. Residents have the **option of a joint appointment** as Adjunct Clinical Instructor of Pharmacy Practice. Successful completion of this program results in a teaching certificate from the university. As a responsibility of the affiliation, the resident will participate in facilitating first, second, and third year clinical case discussion groups with pharmacy students one-half day per week, as well as have opportunities to lecture, and develop a clinical case. In addition, participating residents will attend USC-sponsored trainings which include physical assessment, teaching methods, BLS/ACLS certification, and research methods. The faculty appointment requires approval by the USC School of Pharmacy, as well as a Pharmacist License in the state of California. Please indicate below if you are interested in being an affiliated resident.

I am interested in the USC affiliated position  YES  NO
