

We are proud of our tradition: past, present and future.

The Captain James A. Lovell Federal Health Care Center supports innovation, empowerment, productivity, accountability and continuous improvement. Working together, we provide a continuum of high-quality health care in a convenient, responsive, caring manner.

Mission

Readying Warriors... Caring for Heroes.

Leading the way for federal health care by providing quality, patient-centered experience and ensuring the highest level of operational medical readiness.

Vision

Creating the model for the future of federal inter-agency health care integration.

Values

Lovell FHCC is proud to celebrate the values of the Department of the Navy and the Department of Veterans Affairs.

VA Values: (ICARE) Integrity, Commitment, Advocacy, Respect, Excellence

Navy Values: Honor, Courage, Commitment
