

EKHCS Mission Statement:

To provide accessible, courteous, comprehensive, & quality health care to veterans in an environment of excellence.

EKHCS Vision:

- Promote the health & wellness of the veteran population we serve.
- Achieve distinction as a quality patient-driven health care system that provides the full range of medical, behavioral, rehabilitative, & preventative services to veterans and others.
- Improve our clinical care through research, education, & creative administration to become a model for the future.
