

# EUGENE VA HEALTH CARE CENTER

## PGY-2 AMBULATORY CARE PHARMACY RESIDENCY

*The Roseburg VA Medical Center and its 3 satellite clinics in Eugene, North Bend, and Brookings serve over 27,000 Veterans throughout Central and Southern Oregon & Northern California.*

*The Eugene VA Health Care Center (HCC) is in beautiful Eugene, Oregon, which is home to the University of Oregon and is situated along the Willamette & McKenzie Rivers. Outpatient primary care, day surgery, laboratory, radiology, and pharmacy services are available at the HCC.*

### ABOUT OUR PROGRAM

We accept one resident each year for a 12-month ASHP accredited program. The resident will work directly with pharmacists who have scopes of practice and prescriptive authority to manage patients with multiple disease states. Throughout the residency year, the resident will participate in longitudinal clinical experiences. Application materials must be submitted through PhORCAS and an interview is required. Our interview includes a group interview with preceptors as well as our current PGY2 ambulatory care resident.

### LONGITUDINAL EXPERIENCES

<b>Patient Aligned Care Team Pharmacy Clinic</b>	Pharmacy-managed clinic where Clinical Pharmacy Practitioners provide comprehensive medication management. Commonly seen disease states include diabetes, hypertension, dyslipidemia, congestive heart failure, COPD, and pain.
<b>Academic Detailing</b>	Work with VISN Academic Detailers to help improve prescribing practices and utilize evidence-based care.
<b>Primary Care-Mental Health Integration</b>	Work with a mental health pharmacist to manage disease states such as depression, substance abuse, insomnia, and anxiety.
<b>Pharmacy Administration</b>	Work with clinical pharmacy supervisor, chief of pharmacy, and facility administration to learn the behind-the-scenes operations of running a clinic.
<b>Pain Management</b>	Work within an interdisciplinary team to develop a holistic approach to chronic pain management.
<b>Home-Based Primary Care</b>	Pharmacy-managed clinic for Veterans enrolled in home-based primary care. Clinical pharmacists participate in interdisciplinary care to manage chronic disease states.

### OTHER CORE EXPERIENCES

- Residency project
- Service enhancement project
- Formulary and drug information management
- Teaching, precepting, and presentations

### ELECTIVE ROTATIONS

- HIV PrEP Clinic
- Geriatrics, Women's Health, Substance Use Disorder
