

# Sioux Falls VA Health Care System

## PGY1 Pharmacy Residency

### Join us for residency training

The PGY1 pharmacy residency is designed to develop pharmacist practitioners with high-level skills required to manage patient care as an integral member of an interdisciplinary team. Residents will have learning experiences in the following areas: inpatient central pharmacy, outpatient pharmacy, ambulatory care (PACT), internal medicine, infectious disease, long-term care (Community Living Center), home based primary care, pharmacoeconomics, mental health, pain, and management. Residents will obtain a teaching certificate through the South Dakota State University College of Pharmacy and Allied Health Professions. In addition, residents will complete a research project and a service commitment.

### Equal Employment Opportunity

The United States Government does not discriminate in employment on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, political affiliation, sexual orientation, marital status, disability, genetic information, age, membership in an employee organization, retaliation, parental status, military service, or other non-merit factor.

## COME JOIN US!
