PROGRAM OVERVIEW

The Hershel “Woody” Williams VA Medical Center PGY-1 Pharmacy Residency is designed to ensure each resident develops the clinical knowledge and skills necessary to function independently as a clinical pharmacist in a wide range of practice settings.

Our residency provides a variety of learning opportunities to improve drug therapy outcomes and enhance pharmaceutical care, with mentoring and guidance from our clinical pharmacy team along the way. The residency is a 12-month post-graduate program with specific goals and objectives designed to meet or exceed ASHP standards for each learning experience provided.

Our program also provides opportunities and flexibility to develop specific interests for each resident. The following is an example of the yearly rotation schedule:

Clinical Rotations

Orientation
Infectious Disease/Pharmacokinetics
Ambulatory Care/Anticoagulation
Internal Medicine/Surgery/ICU + Medication
